# *Dedication*

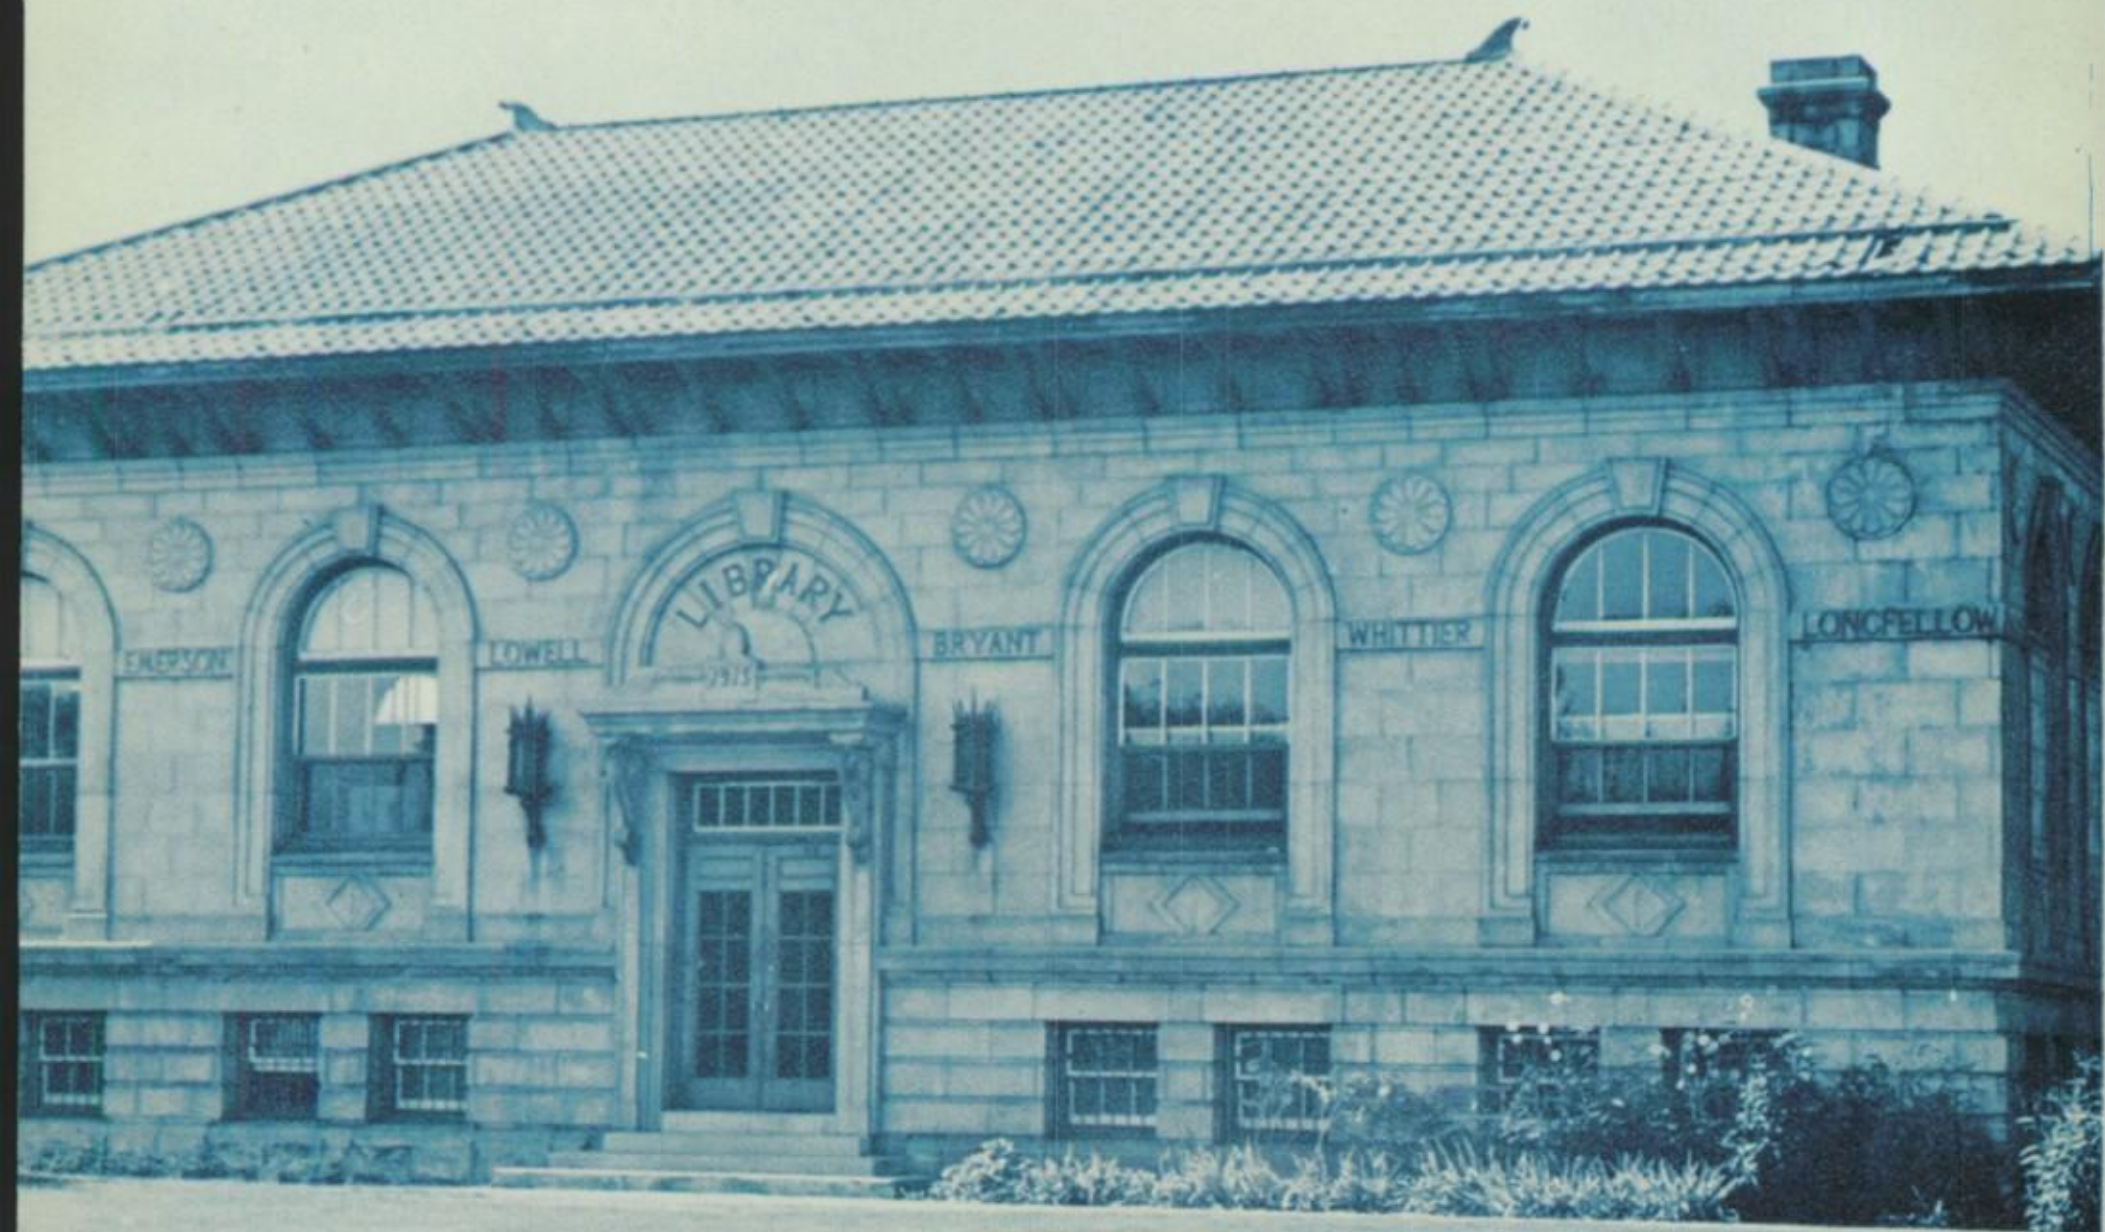

TO MR. CARLSON . . .

"Cookie" is our principal who makes school enjoyable for everyone because of his profound insight into the nature of the student and his many problems. Our friend, advisor, disciplinarian, pal . . . to him we proudly dedicate this 1954 El Rodeo.

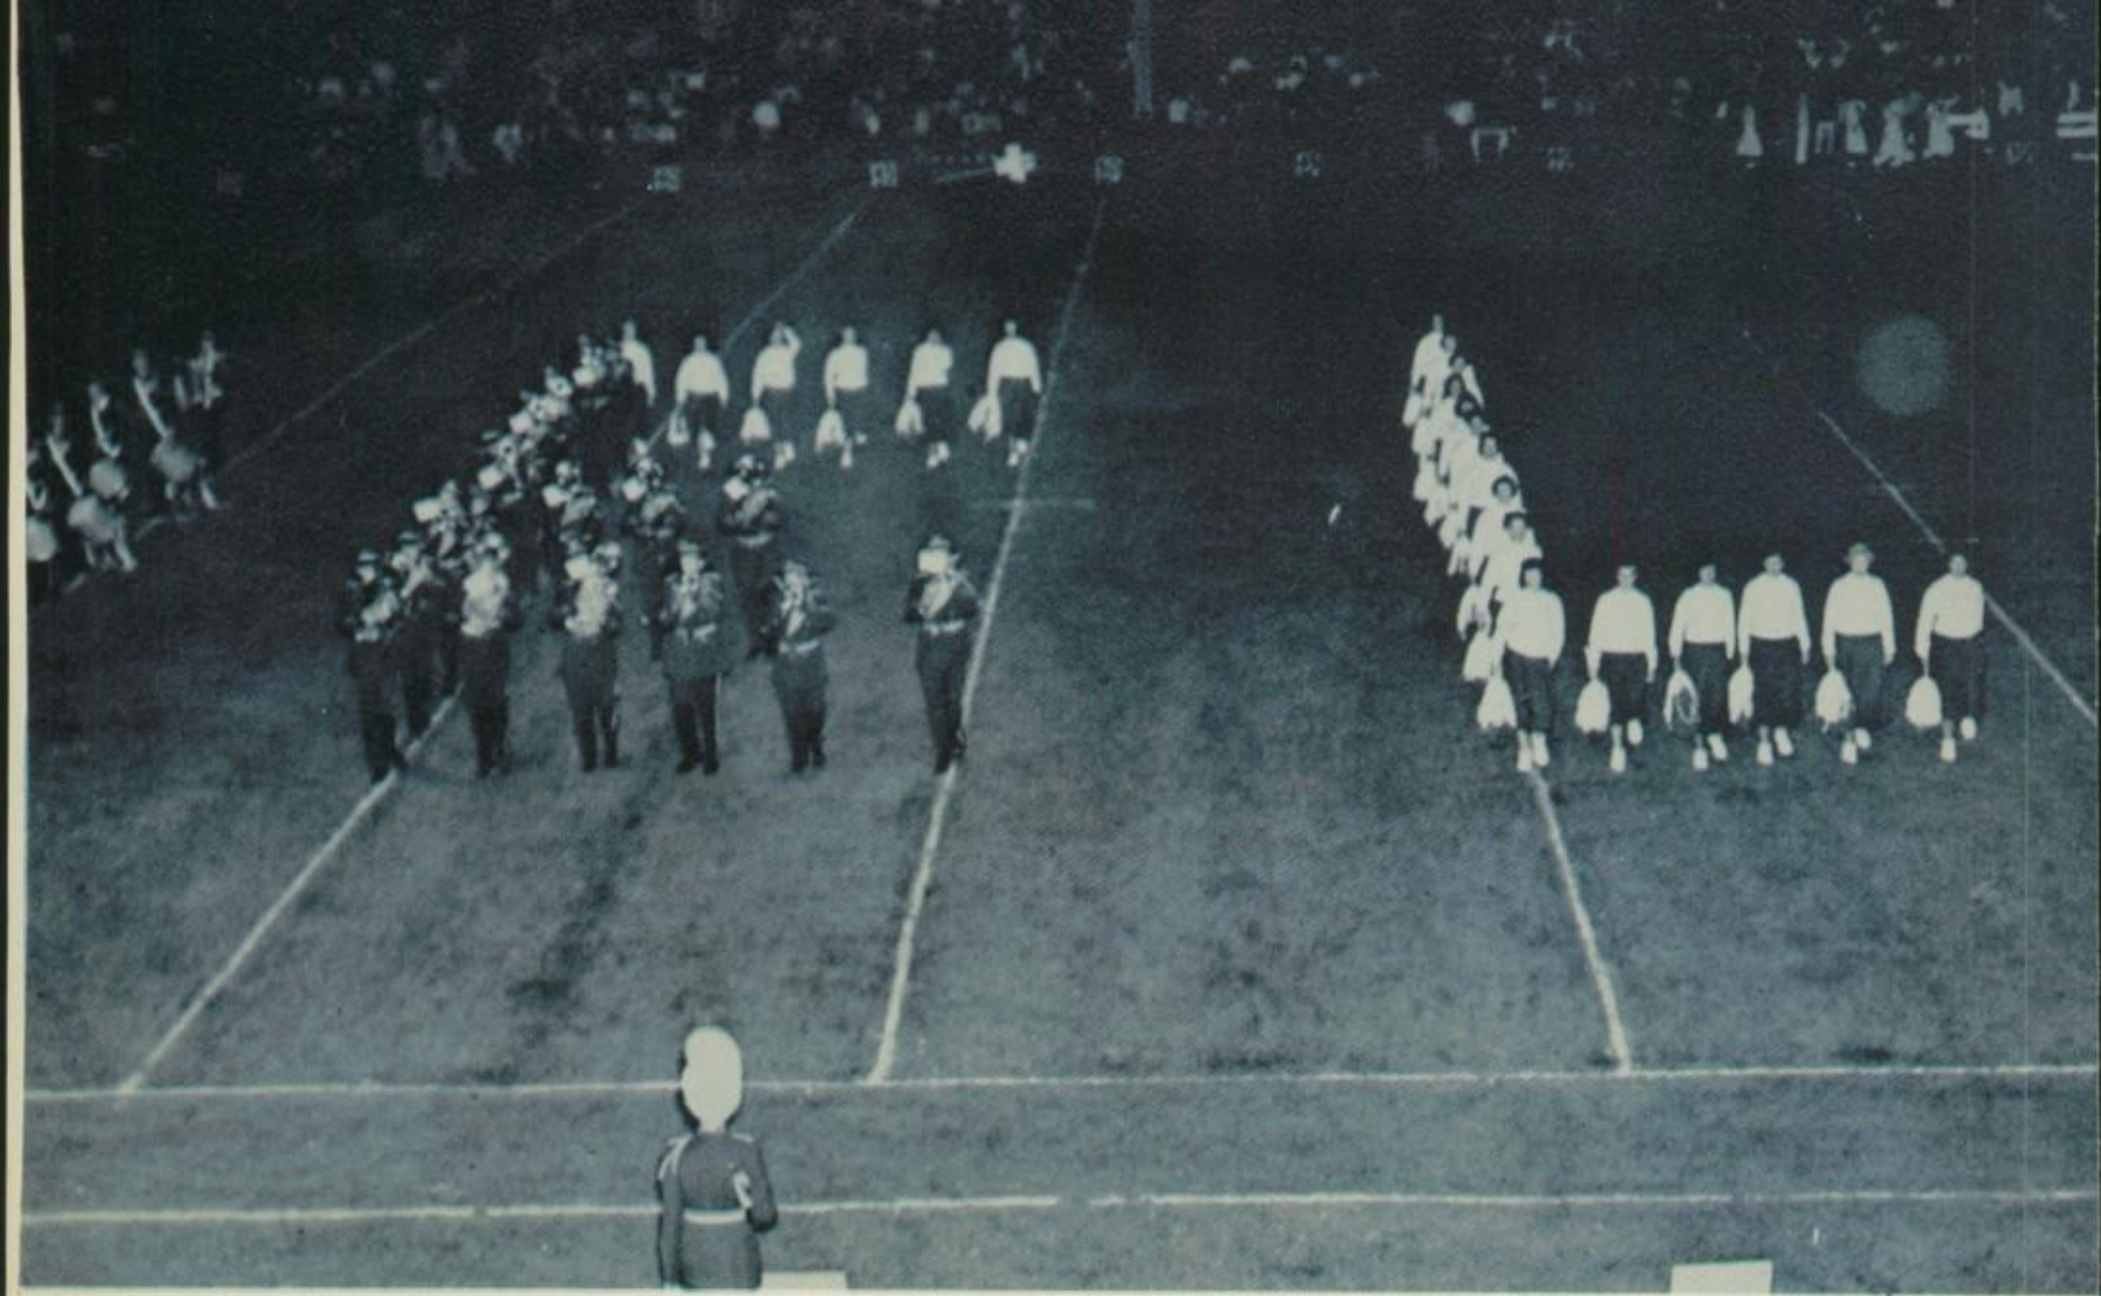

CHARLES T. CARLSON

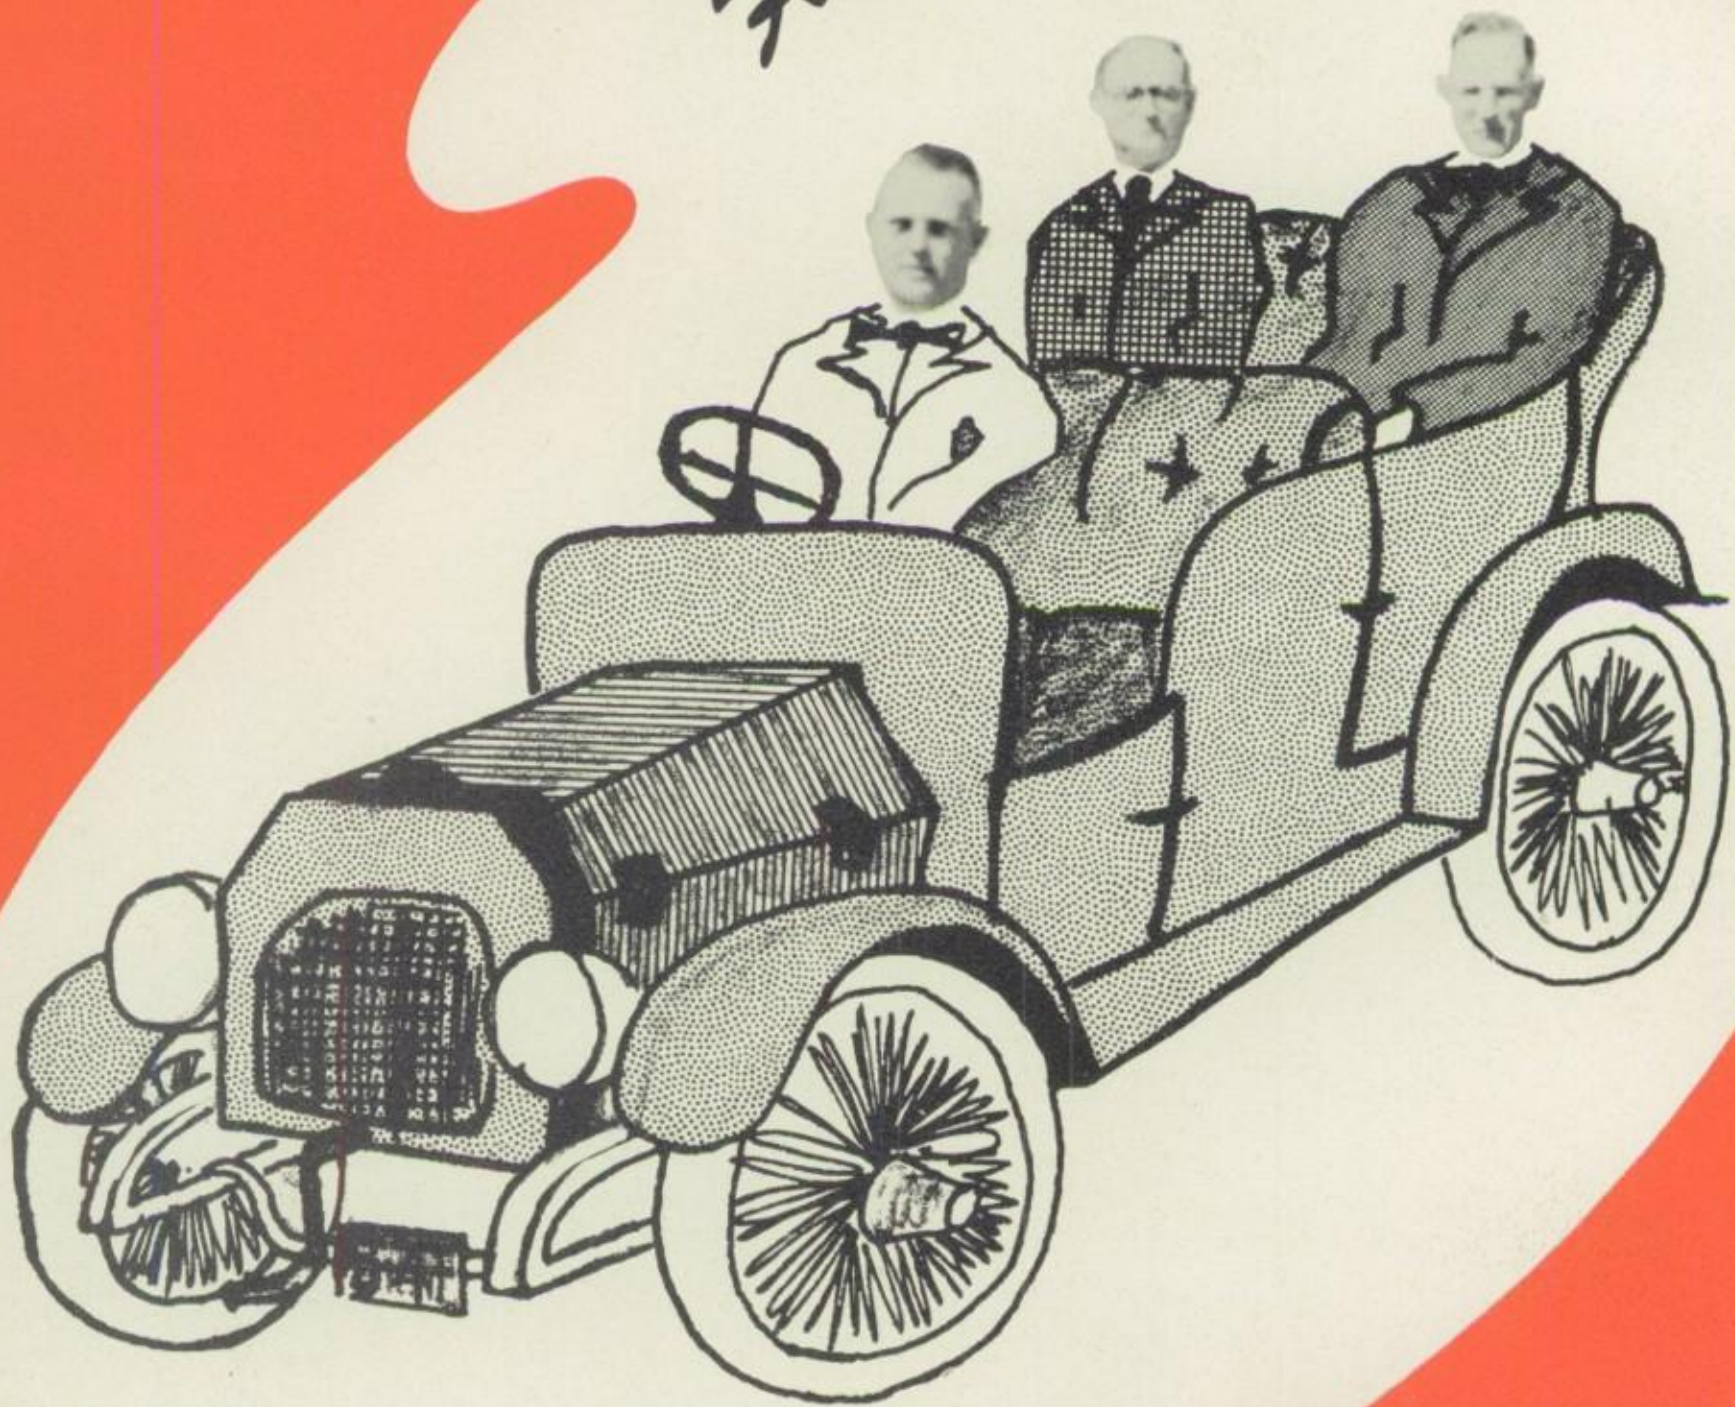

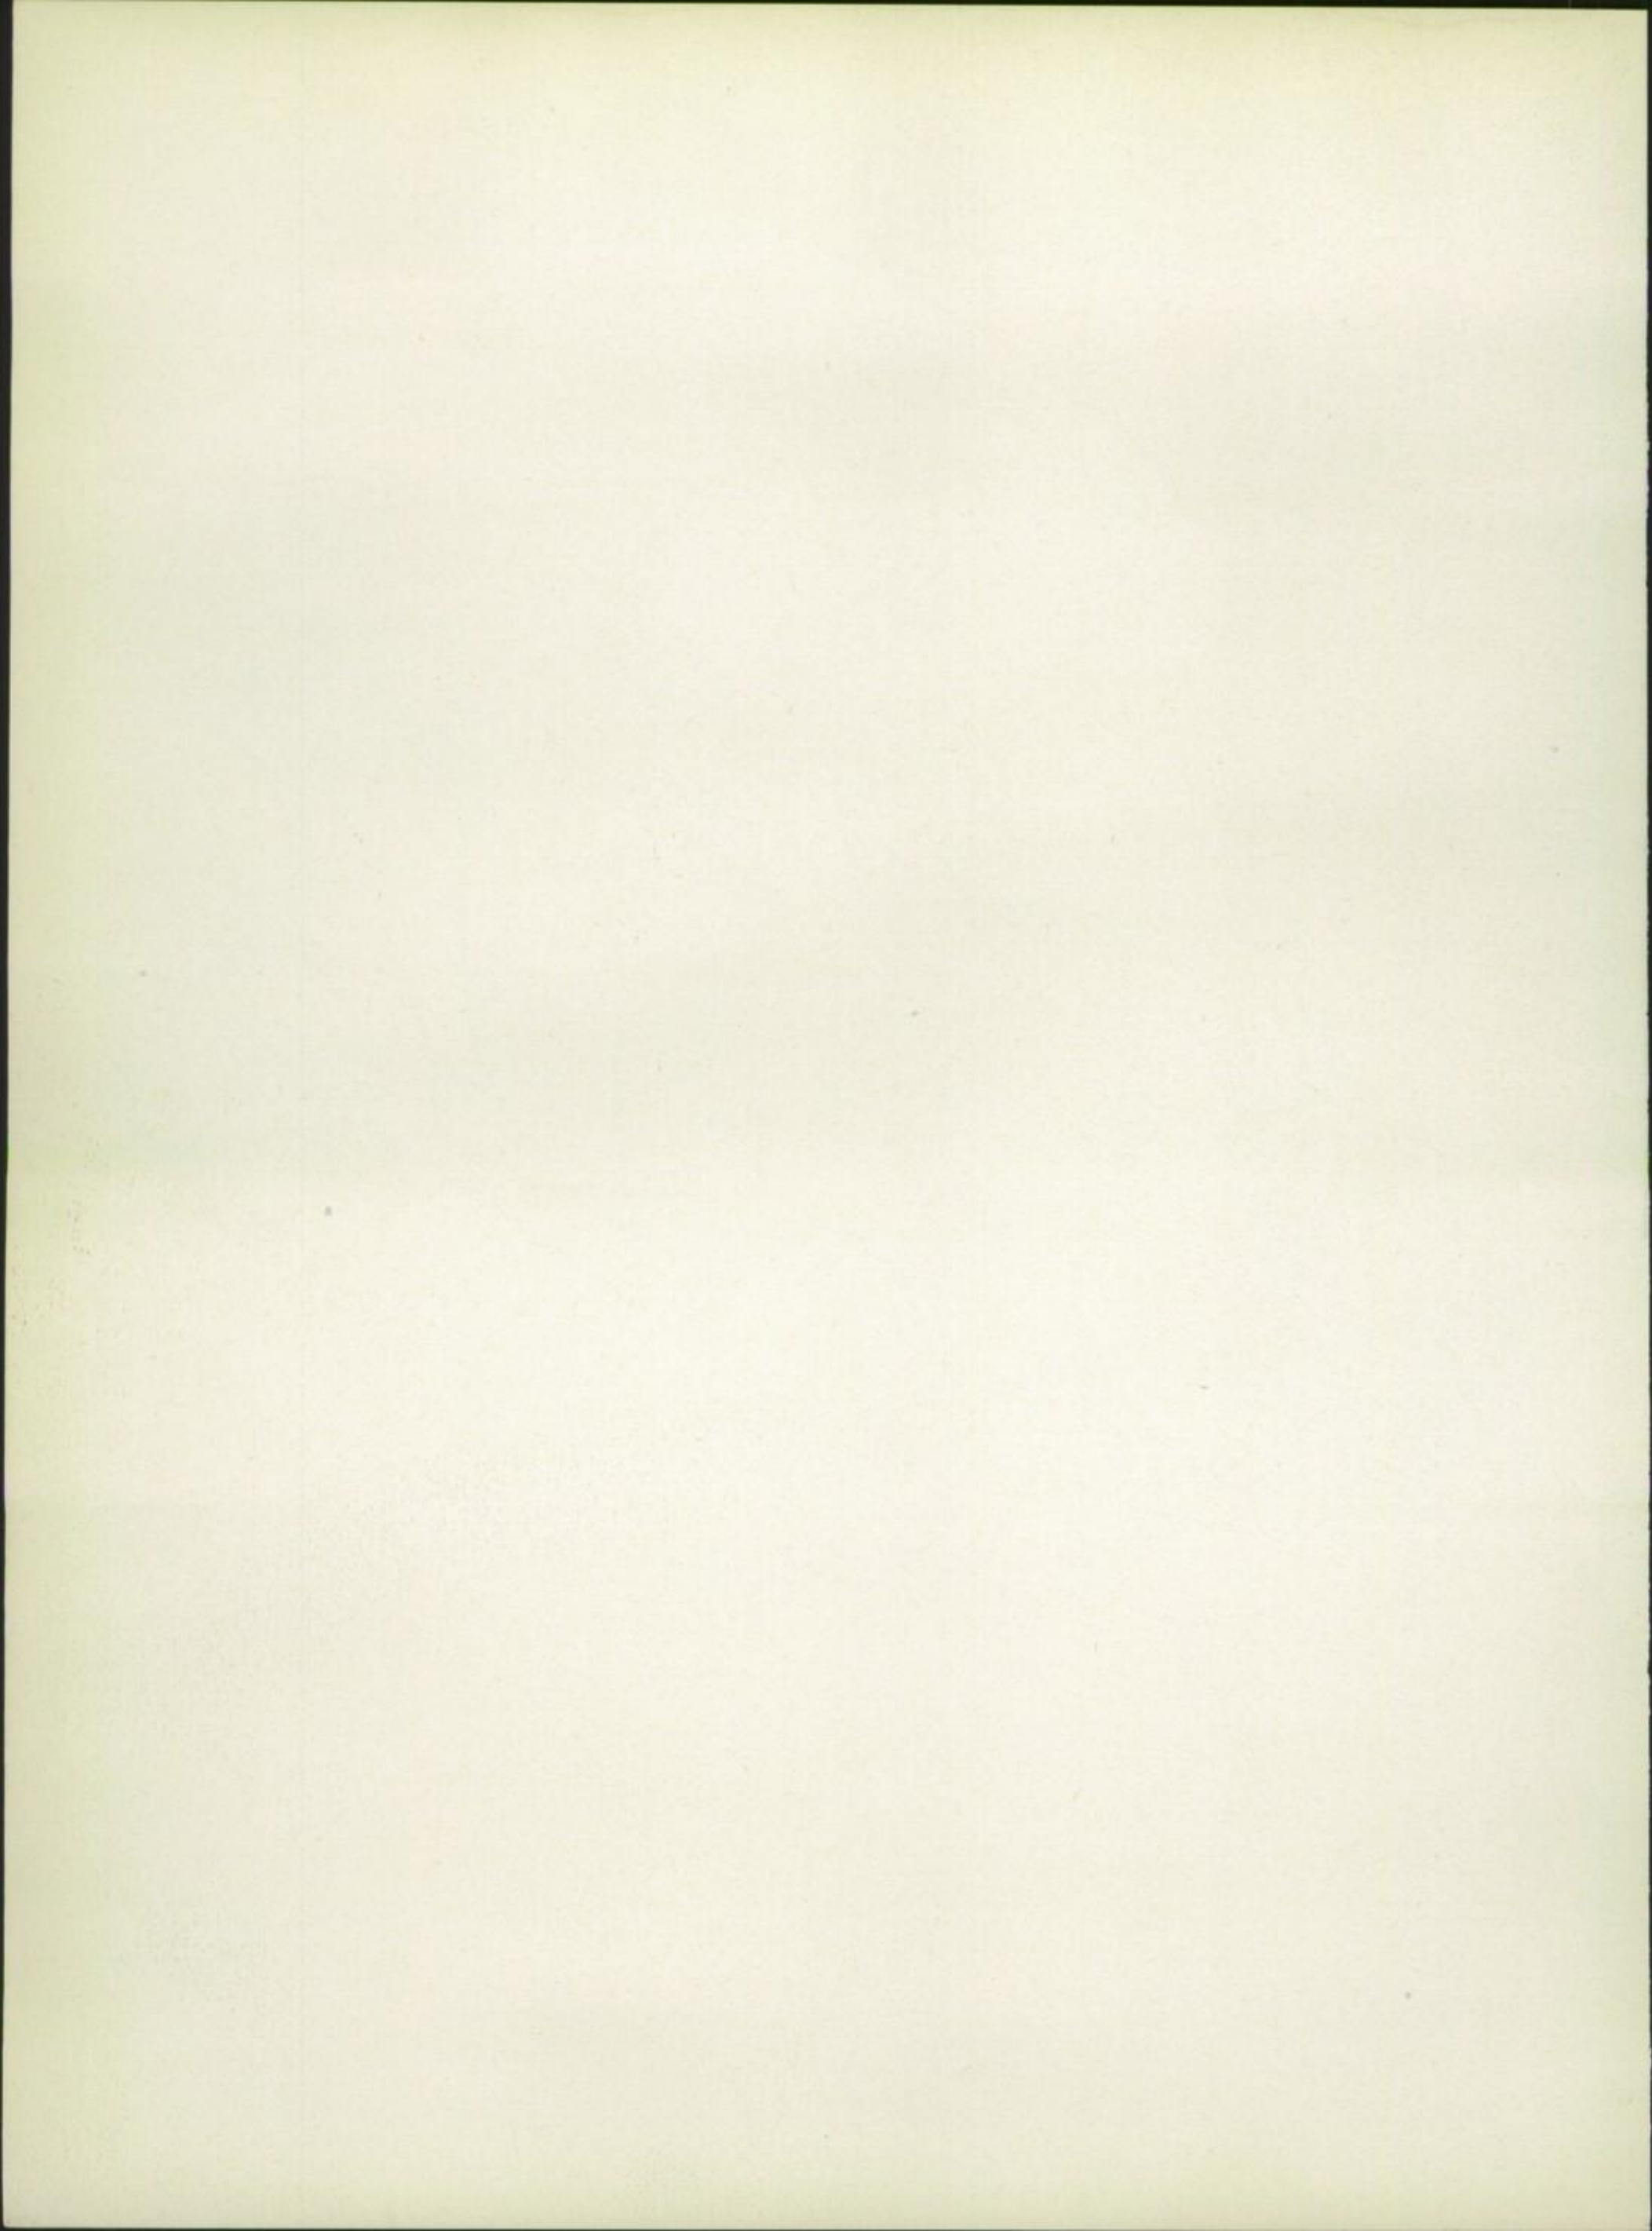

# Faculty

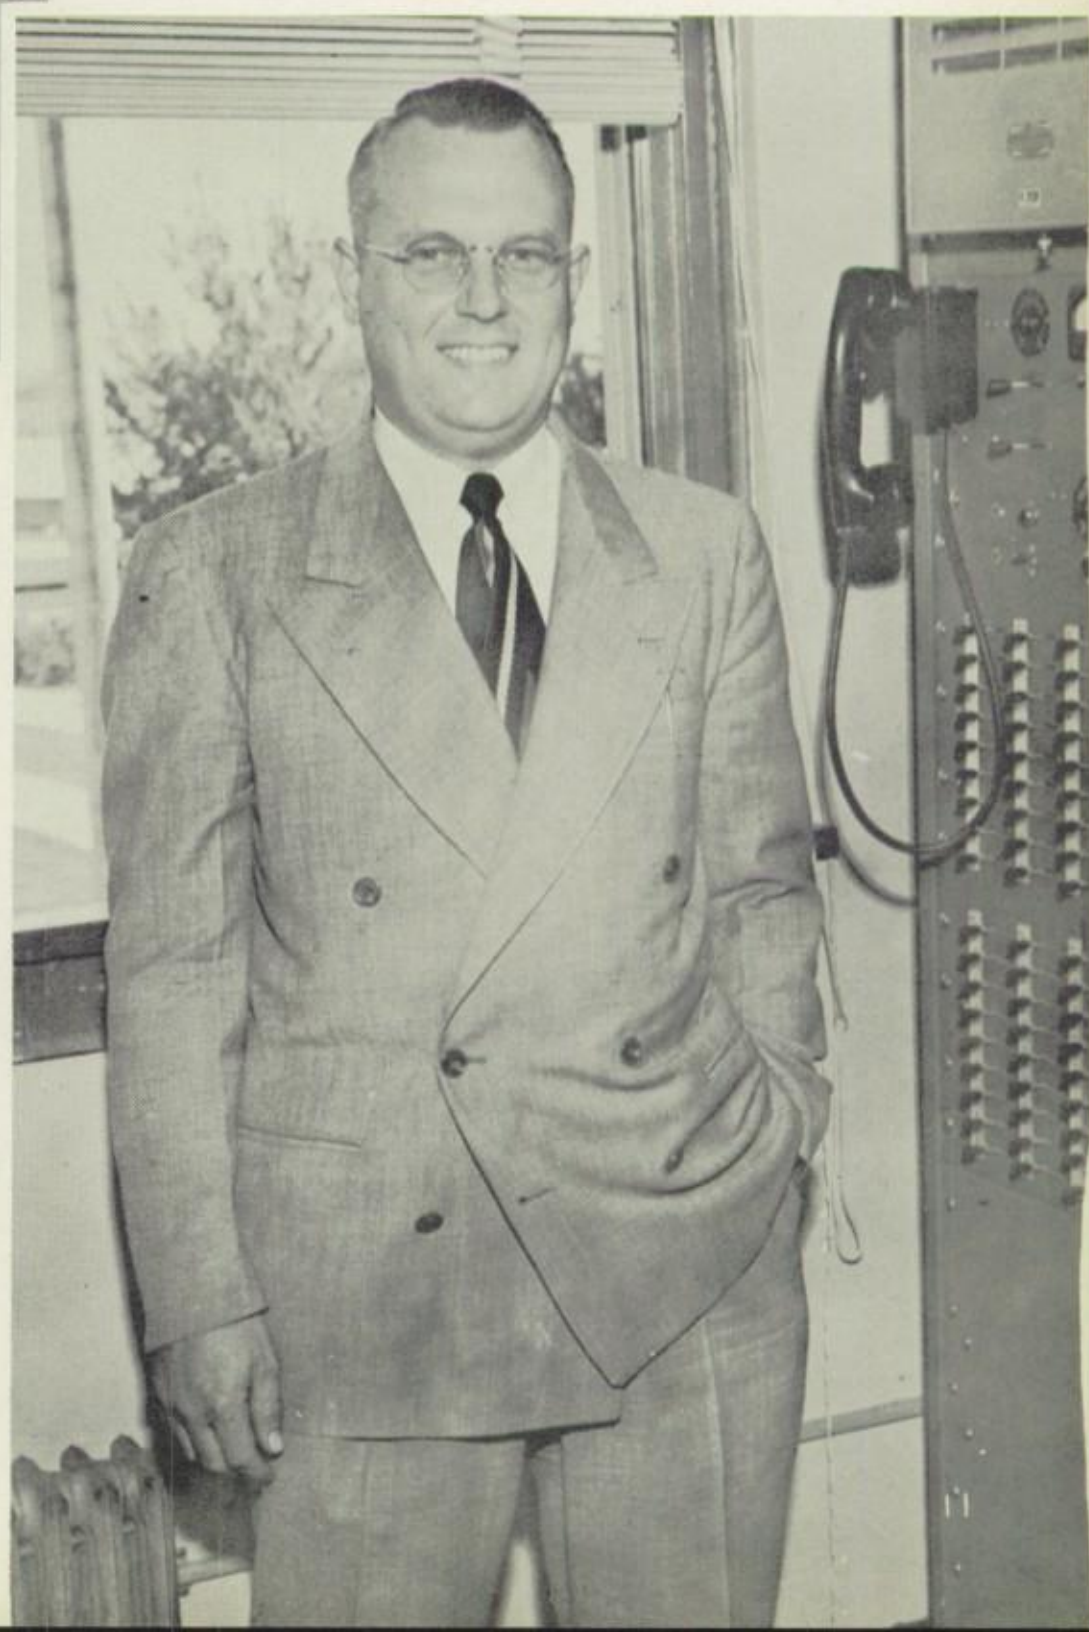

## *He directed Us*

Klamath Union High School is proud of Mr. Arnold L. Gralapp, superintendent of city schools, for his superlative contributions to the development of public instruction in Klamath Falls. Under the supervision of Mr. Gralapp, the city system has developed one of the finest educational programs in the state.

## *He Led Us*

1954 marks Charles T. Carlson's second year as principal of Klamath Union High School and his eleventh year in the school system. His administrative abilities have contributed immeasurably to the development of K.U. Mr. Carlson's spirit and cooperative nature has been an inspiration to students and faculty.

## Our Music Was Tops . . . .

The A Cappella Choir, consisting of eighty-three members, has provided many programs for the community during the year, highlights of which were programs for the Elks, Kiwanis, Rotary and Library Club.

The choir will again participate in the Southern Oregon contest which is to be held in Medford and hope to repeat their first division rating which they have received continuously the last ten years.

Spring plans include a concert with one of the former members of the A Cappella Choir, Athena Lampropulos, as soloist.

## They Played on . . . .

KU boasts one of the finest concert bands in the Northwest. The instrumentation of the band and the musicianship of the members is of a high calibre.

Band members were very busy throughout the school year with the many different activities of the organization. The football season required a fine marching band capable of putting on interesting and original half time shows.

The Pep Band, made up of some thirty selected members of the concert band, provided music for the basketball games.

# *They Played Many Sweet Refrains . . . .*

The symphony orchestra of KUHS, acclaimed to be one of the finest in the Northwest, was honored this year by playing at the Oregon Music Educators state conference held at Bend on September 26th.

Membership totaling 63, made this year's orchestra the largest in the history of the school.

A popular group in the school and community, the symphony played at many functions throughout the year and climaxed the season with a spring concert featuring the Schumann piano Concerto with Miss Ruth Lobaugh as faculty soloist.

Pep Peppers again held their familiar spot at all the athletic events this year. Under the capable leadership of the two advisors, Mrs. Strobe and Mrs. McGinnis, and the club officers, Ann Henderson, Carolyn Boyd, Pat Collins, and Carol Elliott, the club enjoyed a peppy and successful year. Their many activities included the annual banquet and tea, a wiener roast, marching at all football games, and helping civic organizations.

Minor officers were Margaret Scholer, Yell Leader; Ginger Martz, Social Chairman; and Delores McFarland, Scrapbook Keeper. Helen Henris, Kay Jensen, Judy Ferrell, Nancy Ambers, and Jewell Larson were admitted into Pep Peppers later in the year.

The main object of the club is to strive towards good sportmanship and sportsmanlike conduct at all school functions.

The K Club undertook some new activities in the past year. They tried to raise money for an all sports banquet held in the spring. The money raised through concessions all year was used for this.

They held their annual Whiskerino Dance after the Medford basketball game. The K Club-faculty game in the spring was a roaring success.

Members of the Pelican Service Club acted as ushers and ticket sellers during the football games, took tickets at the basketball games, both Pelican and Wildcat, and they also attended at the wrestling matches.

The functions of this organization were many and difficult; however they contributed vitally to the success of athletic events and school affairs at KU.

# Drama

Again this year the KU Drama Department proved to be one of the most active school groups. Throughout the year the department presented one play after another to the students and to civic groups.

The plays were presented in the Little Theatre and the senior play was given in the main auditorium. Putting on the plays required the combined efforts of painters, light and sound men, costumers, business students, and managers alike.
